OBJECTIVE

Motivated Web Developer, who's greatest passion is creating websites that can be used by a variety of people, on a variety of devices. As I believe everyone should be able to access the information they need quickly and easily.

EXPERIENCE

November 2017 – January 2018

Freelance Web Developer, Evergreen Township

<http://evergreentownship.com/>

Designed and developed a website for Township residents to access information on Town board members, Township policies and general news and information. Allows residents easier access to the information they need in one place (Still work on updates and site maintenance).

January 2018 – February 2018

Freelance Web Developer, Crystal Sentinels

<http://crystalsentinels.online/>

Designed and developed a website for my gaming clan, to allow us to show new members some of the things we offer, our rules, and our rankings structure and also help our current members keep track of events with added event tracking that synchronizes with our discord to keep people up to date with what events we have upcoming.

June 25th, 2012 – September 11, 2015

Production Setup, BTD

Setup and ran production machines, assisted leadership with making sure we got our products finished on time and with good quality standards, helped other operators work efficiently and effectively as needed.

Was a temporary Production Leader as needed.
